

2021 Board Candidate

Cathleen Lindgren

Name

Bradford Twp

City / Twp

Proud Member-Owner for 10 years.

1. Education & Accomplishments

I am a Registered Nurse and mom to 5 kids (3 left at home). At this time, I am home with my youngest 3 kids and working with a company called Color Street that allows me to work from home and be there more for my family. We have changed our way of eating over the last 5 years and really try to eat clean when able - this was a HUGE accomplishment for us!

2 Why do you want to serve on the Board of Directors for City Center Market?

I have more free time now, and am passionate about doing better by way of our diets but also sharing that idea with others! I love marketing and educating others!

3 What qualifications or experience do you have that will benefit the Board?

I'm a Registered Nurse and have run my own business a few times over my life. I have worked in leadership within the long-term care and assisted living communities for the last 4 years.

4. What is your vision for the future of our Co-op and your contribution?

My vision is that 100% of our community residents would find reasons to shop at the co-op - this could be through great weekly specials (maybe a group of specials that would make a delicious full main course + side dishes), pre-made meals for those busy families (I love the rotisserie chicken and hot/cold bars!) - but really just focusing on ways to reach all types of families and educating them on ways to do better with their food :)

OPTIONAL QUESTION: Is there anything else you'd like to tell us? Do you have other knowledge or experiences that you see as being related to the work of the Board? As an alternative or addition, you may choose to submit a resume, which will also be posted.

I was a manager for a sales & marketing company for many years prior to becoming a nurse - possess creativity, and the ability to work alongside a variety of personalities!

Thank you for your interest and support of our Co-op!
